UNITED STATES DISTRICT COURT
 NORTHERN DISTRICT OF CALIFORNIA

JOHN ROE, JANE ROE, and their minor
 son, JASON ROE,

Plaintiffs,

v.

BERKELEY UNIFIED SCHOOL
 DISTRICT, and DOES 1-25, inclusive

Defendants.

Case No.

C15- 3871

**ORDER ON EX PARTE APPLICATION
 TO SEAL FILES**

Plaintiffs have submitted an *ex parte* application to have all files in this matter filed under seal and to proceed by way of fictitious names. The basis for this request is that the matter involves the confidential medical, educational, and mental health records on the minor plaintiff. Plaintiffs also have filed a request for a temporary restraining order with their complaint. In light of that request, the Court **CONDITIONALLY GRANTS** the request to file all records, with the exception of the Complaint and this Order, under seal and to conditionally permit Plaintiffs to proceed by way of fictitious names. Once this matter has been assigned to a Judge for further proceedings, that Judge may revisit this Court's ruling.

IT IS SO ORDERED.

Dated: **8.25-15**
